Call for proposals for the 26th LHD experiment campaign in CY 2025

Dear colleagues,

To prepare the experimental program of the 26th LHD experiment campaign, we are pleased to invite you to submit experiment proposals. **Submission of the proposals will be possible between June 2 and June 13, 2025.** The experiment program of 26th LHD experiment campaign will be established based on the submitted proposals. All the experiment proposals will undergo a review process. The proposals will be selected on the basis of scientific quality in the related research field. **The LHD FY2025 Research Forum, which will be held from June 30 to July 4, 2025 on a virtual basis,** is intended to allow the proponents to present and discuss ideas for experiments to be conducted in the coming 26th LHD experiment campaign.

The details of the 26th LHD experiment campaign are as follows.
