2nd Announcement of FY2021 LHD Research Forum

Dear colleagues,

First of all, I would like to thank all the proponents for submitting the experiment idea proposals for the upcoming LHD experiment campaign. We are now making the program of FY2021 LHD Research Forum based on the submitted proposals. Before sending the program of the forum, some decisions regarding the forum are informed with this 2nd announcement.

1) Schedule of FY2021 LHD Research Forum (in JST: Japan Standard Time)

Monday, July 12: from mid-afternoon till evening.
Tuesday, July 13: from morning till evening.
Wednesday, July 14: from morning till evening.
Thursday, July 15: from morning till evening.
Friday, July 16: from morning till mid-afternoon.

***LHD Research Forum will start from Monday, July 12, 2021, not from Tuesday, July 13, 2021.**

2) Important notices on presentation

- Each proposal requiring the LHD experiment time needs to be explained by the proponent and discussed in the forum.
- **A presentation per proposal should not exceed 3 (three) pages.**
- Allocated time (in each TG time slot, NOT throughout the forum)
 - 1 proposal by 1 proponent: 4-min presentation + 4-min Q&A.
 - 2 proposals by 1 proponent: 7-min presentation + 6-min Q&A in total.
 - 3 proposals by 1 proponent: 10-min presentation + 8-min Q&A in total.
 - 4 proposals by 1 proponent: 13-min presentation + 10-min Q&A in total.

3) Zoom connection info. (Available throughout the meeting)

<https://zoom.us/j/98173876495>

meeting ID: 981 7387 6495

passcode: ***** (sent via email to proponents and co-proponents only)

We are looking forward to discussing exciting experimental and theoretical ideas for the upcoming LHD experiment campaign with you in the forum soon.

Best wishes,

Prof. IDA, Katsumi

Executive Director of Large Helical Device Project on Science
